Helpful hint...if you would like to register, "on-line"... follow these simple steps. **First**, click on the above e-mail address link, your e-mail editor should open up a "new message". **Second**, click on the "minus" sign in the upper right hand corner of the page, to "minimize" your e-mail page. **Third**, block (or highlight) this entire page. **Fourth**, use the "copy" function of your e-mail editor. **Fifth**, click on the e-mail (new message) you have minimized in step two above. The e-mail will re-appear, then, **Sixth**, "paste" the entire page into the blank "body" of the e-mail. Once you do that, you can type or edit the information asked for in the blanks above. Once you are happy with the information, "send" the e-mail; print your self a copy and drop the copy and your check for league registration fee in the mail to the above address. Then...you are all registered. We will send you back two e-mails...one, when we receive your on-line registration form, the other when we receive your registration fee.
